Comments: I would like to recognize Bhanu for all the support he has provided in setting up a Power BI Workspace for the ENT CAPA team. This is a business critical need and Bhanu has consistently worked to collaborate with me on this foundational step in the project. He is diligent to clarify the best options. He has been patient with scheduling conflicts. I am extremely impressed with his attention to detail and efforts to accommodate me as a customer. I am very pleased with his support of ENT strategic direction and he deserves this recognition. THANK YOU!!!

Comments: Appreciate your hard work in making sure Business Objects upgrade (to Version 4 SP 7 patch 2) is a successful one. The platform is used by people from across the globe. It is a monumental task to work with different functions/groups and get test summary from 45 users. Your diligence and hard work is very much appreciated. Thank you.

Comments: Hi Guys, Congratulations for completing 1 year with Medtronic. I really appreciate your contribution to the organization and it has been my privilege to have got an opportunity to work with you. You all bring very fresh and innovative ideas to the plate and compel us to think in new perspectives. I wish you much more success in the years to come. Keep up your good work.Regards,Sagar.

Comments: I just want to take a moment and appreciate the great work that you are doing for us with the PD System 2.0. PD System 2.0 is a strategic project for the MITG SI R&D group to establish a consistent new product development process and establish a consolidated data repository. You have our immense thanks for all of the support and guidance you've given us, and we could not have been where we are today without your contributions, and we are very excited to go-live within the next two weeks.

Comments: Bhanu managed to fix an IT ticket I had raised with the UK office around a month ago within about 30 mins! His professionalism and knowledge is an absolute credit to Medtronic! He went the extra mile and stayed past his working time schedule to ensure my issue was corrected and resolved. He truly has done what is right, and not what is easy! Thank you for your help and support Bhanu, you are invaluable to our IT team and your efforts deserve this recognition!

Behavior: Innovate: Understands Impact on Patient and Customer

Comments: Bhanu has been a key SME for my team throughout the transition from business objects to Power BI. As the RTG BI team learned how to develop reports for our customers, Bhanu continually provided guidance and resolved issues so we could deliver project objectives. He is always quick to respond to questions and resolves any issues I escalate to the Power BI admins. He has played an important role in the MyCase Analytics project which is a "Must-Win" project for RTG. Looking forward to your continued support and partnership!
